03 May'23	AU Small Finance Bank	NA - Postal Ballot	Management	Approve AU Employees Stock Option Scheme 2023 (AU ESOS 2023)	FOR	FOR	Under ESOP 2023, 20.0 mn options will be granted at a price linked to market price and shall be determined by the NRC as per SEBI SBEB regulations. The 2023 ESOP will result in a dilution of 3.0% for existing shareholders. AU SFB has issued stock options at significant discount to market price in the past, but since mid FY19, ESOPs were issued at a price linked to market price. Given this recent practice, we expect the bank will continue to do so with the current scheme. Aligning the exercise price to the market price is considered a good practice. There will be a minimal impact on the profitability of the bank and align employee interests to that of shareholders. However, the bank must clarify the exact computation of the exercise price and that stock options will not be granted at a discount to market price
02 May'23	Reliance Industries	NA - Postal Ballot	Management	Approve scheme of arrangement for demerger of Reliance Industries Limited's (RIL) financial services business into Reliance Strategic Investments Limited (RSIL)	FOR	FOR	RIL proposes to demerge its financial services business (including its holding in Reliance Industrial Investments and Holdings Limited (RIIHL)) into its wholly owned subsidiary RSIL. All shareholders of RIL will be issued one fully paid-up equity share of face value Rs 10 each held in RIL. We note that RIIHL is the ultimate beneficiary of ~6.1% equity stake in RIL through its interest in Petroleum Trust and Reliance Services and Holdings Limited (RSHL). Thus, as per provisions of the Companies Act, Petroleum Trust and RSHL will not be issued any shares of RSIL. Therefore, public shareholding in RSIL will be -54.2% (as compared to -50.9% in RIL). Immediately upon issuance of the shares, the current shareholding of RIL in RSIL will be cancelled. RSIL will be renamed as Jio Financial Services Limited, and its shares will be listed on the exchanges post the demerger process. The proposed demerger will help RIL unlock the value of its financial services business, which carries a separate risk profile.

The shareholding of UTI was subsequently transferred to the Administrator of the Specified Undertaking of the Unit Trust of India. Over the years, due to various rounds of capital raising by the bank and due to sale of shares of the bank by SUUTI from time to time, the shareholding of SUUTI as on 24 March 2023 has reduced to 0.02%. Since then, SUUTI has withdrawn its nominee director on the board of the bank, surrendered its right to appoint one nominee director on the board and made a request to exit from "promoter" category to "public" category.
