17-Jul-25	Tech Mahindra Limited	AGM	Management	Approve grant of stock options under Tech Mahindra Performance Share Plan 2025 (TechM PSP 2025)	FOR	FOR	Under TechM PSP 2025, the company proposes to grant up to 7.5 mn options at face value, resulting in a dilution of 0.76% on the expanded capital base. Options granted at the face value of Rs. 5.0 represent a 99.7% discount to the current market price. We do not favour ESOP schemes where options are granted at a significant discount (>20%) to the market price, as stock options are 'pay at risk' options that employees accept at the time of grant. In the case of deeply discounted options, there is no alignment between the interests of investors and those of employees. We make an exception in cases where the vesting of such options is mandatorily linked to performance parameters, and the company has disclosed the pre-defined performance targets for such parameters. In this case, vesting will be based on the achievement of financial metrics (consolidated revenue target, consolidated EBIT margin, free cashflows, Return on capital employed) carrying a weightage of 60% and strategic priorities (Sustainability/ESG targets, Process Maturity / Stakeholder Satisfactory Index, Key People Metrics, Customer Satisfaction Scores) carrying a weightage of 40%. The Nomination and Remuneration Committee (NRC) will have the discretion to decide the key performance parameters annually out of the above parameters. The company has committed to disclosing performance parameter and weightages, range-based targets and achievements in future annual reports post-vesting to assess the linkage between performance and vesting for employees. We support the resolution.
17-Jul-25	Tech Mahindra Limited	AGM	Management	Approve extension of Tech Mahindra Performance Share Plan 2025 (TechM PSP 2025) to employees of subsidiaries	FOR	FOR	Through resolution #7, the company seeks shareholder approval to extend the benefits of TechM PSP 2025 to employees of subsidiary companies. We expect the scheme to be extended only to unlisted subsidiaries. Our view is linked to resolution #6. We support the resolution.
17-Jul-25	Tech Mahindra Limited	AGM	Management	Approve provision of loan of upto Rs 50.0 mn to Tech Mahindra ESOP Trust to fund the subscription of equity shares	FOR	FOR	TechM PSP 2025 will be implemented through the trust route. Further, the employees have an option of exercising the options through the cash route or through the cashless route. In case of the cashless route, the trust will fund the payment of exercise price, the tax obligations and other related expenses pursuant to exercise of PSUs granted and such amount shall be adjusted against the sale proceeds of the equity shares of the PSU holder. Through resolution #8, the company seeks approval to grant an interest free loan of upto Rs. 50.0 mn to the trust. The loan shall be repayable to the company upon realisation of proceeds on sale/transfer of equity shares. Our view is linked to resolution #6. We support the resolution.

We note that the auditors have highlighted certain issues related to the audit trail feature in the accounting software. Based on the auditors' report, which is unqualified, the financial statements are in accordance with generally accepted accounting policies and Indian Accounting Standards (IND-AS). We support the resolution. The company has undisputed payables outstanding for over a year (some more than three years); the company must consider strengthening its processes to avoid these extended delays.

FY25 dividend per share inclusive of interim dividend of Rs. 1.6 per share aggregates to Rs. 3.2 per share. We support the resolution. Though the company maintains a dividend distribution policy, it does not specify a target payout ratio. As a best practice, we encourage companies to formalize a dividend distribution policy that explicitly outlines a target payout ratio. Furthermore, the dividend policy was last reviewed in January 2021: we believe that the board must review its dividend distribution policy periodically.

Jeffrey Mark Overly, who is based out of the US, will receive USD 0.1 million (Rs. 8.6 mn), including sitting fees, as remuneration. The proposed remuneration is high compared to remuneration paid to other independent directors. The company must outline a clear rationale for a differential remuneration to Jeffrey Mark Overly. 29-Jul-25	IDFC First Bank Limited	AGM	Management	Approve the right of Currant Sea Investments B.V. (Currant Sea) to nominate one Non-Executive Director liable to retire by rotation	FOR	FOR	IDFC FIRST Bank proposes to give Currant Sea Investments B.V (proposed shareholding of 9.5% in the bank after the preferential CCPS issue approved by shareholders in the postal ballot of May 2025) the right to appoint one non-executive director on its board as may be mutually agreed. There is a shareholding threshold of 5% below which the right to a board seat will fall off. While we do not support board nomination rights without an embedded minimum shareholding threshold of atleast 10%, we understand that non-financial institutions (non-promoters) cannot hold more 10% of the equity capital / voting rights in a banking company and also that any person who acquires 5% or more of the paid-up share capital or voting rights in a banking company is classified as a major shareholder and any such acquisition requires prior approval of the RBI. Given the strict RBI guidelines on non-promoter shareholding caps, we make an exception in this case. Further, the board nomination rights are not being embedded into the Articles of Association and lastly since the nominee director is liable to retire by rotation, the appointment will be vetted by shareholders on a periodic basis. We support the resolution.

In addition to audit services, the Bank will also engage the firm for statutory certifications required to be obtained from the Secretarial Auditors under various regulatory frameworks from time to time, for which separate remuneration will be paid on mutually agreed terms. The Board of Directors, including the Audit Committee, will approve any revisions to the remuneration for the remaining tenure, based on periodic review and any additional work arising from regulatory changes, restructuring, or other relevant factors, subject to mutual agreement with the Secretarial Auditors. The proposed remunerational payable to Makarand M Joshi & Co. is commensurate with the size of the bank. Their appointment is in line with statutory requirements. We support the resolution.
